About IILM

IILM is a distinguished institution in business and management education with 30+ years of academic excellence since its founding in 1993. With three campuses across New Delhi, Gurugram, and Greater Noida, the institute is committed to shaping future business leaders through a robust academic framework, meaningful industry engagement, and strong global exposure. Located at Lodhi Road, New Delhi, IILM is backed by an extensive alumni community and partnerships with a wide range of recruiting organizations, providing strong industry linkages and placement support for its students.

Programme Pathways

- BSc Business Administration (General)
- BSc Business Administration (Marketing)
- BSc Business Administration (Human Resource Management)
- BSc Business Administration (International Business)

Royal Holloway, University of London

Founded in 1886, Royal Holloway is one of the University of London's six largest federation members and is home to more than 12,000 students. It is one of only a few Universities nationally which is allowed to use the 'Royal' title.

With combined and integrated strengths in innovative education and transformative research, we have a passion to create, teach and share knowledge in both established and emerging areas.
